## APPEALS AGAINST THE DECISION OF THE LOCAL PLANNING AUTHORITY (LPA)

If the applicant is aggrieved by the decision to refuse permission/consent for this proposal or to grant permission/consent subject to conditions, he may appeal to the Secretary of State for the Department of Communities and Local Government (SOS) in accordance with the provisions below. All appeals should be submitted on a form obtainable from The Planning Inspectorate, at the address below.

- (a) Refusal of planning permission for **Householder applications – within 12 weeks** (Article 37 of the Town & Country Planning (Development Management Procedure) (England) Order 2015)
- (b) Refusal of planning permission or permission granted subject to conditions - **within 6 months** (Section 78 Town & Country Planning Act 1990 (T & CPA) and Article 37 of the Town & Country Planning (Development Management Procedure) (England) Order 2015)
- (c) Refusal of Listed Building consent or consent granted subject to conditions. Refusal of Conservation Area consent or the decision of the LPA on an application to vary or discharge conditions attached to a Listed Building consent **within 6 months** (Regulation 8 of the Town & Country Planning (Listed Buildings and Conservation Areas) Regulations 1990 and Section 20 of the Planning (Listed Buildings and Conservation Areas) Act 1990.
- (d) Refusal of consent for display of advertisement or consent granted subject to conditions - **within 8 weeks** of the date you receive the Council's decision - please refer to separate notice attached where necessary.
- (e) Refusal of Tree Preservation Order consent or consent granted subject to conditions. Issuing of an Article 5 certificate on refusing consent or an Article 6 direction on granting consent to fell any part of a woodland – within 28 days Town & Country Planning (Trees) Regulations 2012.

The SOS has power to allow a longer period for the giving of a notice of appeal but will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. He is not however required to entertain an appeal if it appears to him that permission for the proposals could not have been granted by the LPA, or could not have been granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements, to the provisions of the development orders and to any directions given under the orders.

In the case of refusal of permission to develop land or refusal of Listed Building consent or the granting of permission or Listed Building consent subject to conditions whether by the LPA or SOS and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development works which has been or would be permission, he may serve on the Council in which the land is situated a Purchase Notice (or Listed Building Purchase Notice) requiring the Council to purchase his/her interest in the land in accordance with the provisions of Part VI, Chapter 1 of the Town & CP Act 1990 and Part 1, Chapter III of the Planning (Listed Buildings and Conservation Areas) Act 1990.

In certain circumstances (not applicable to Advertisement proposals) a claim may be made against the LPA for compensation where permission is refused or granted subject to conditions by the SOS on appeal or on reference of the application to him.
