TOWN AND COUNTRY PLANNING ACT 1990 (AS AMENDED)
(DEVELOPMENT MANAGEMENT PROCEDURE) (ENGLAND) ORDER 2015
PLANNING PERMISSION REFUSED

Application Number: 20/500818/FULL

Date your planning application was submitted: 10 June 2020

Site location: 22 Argyll Street Maidstone

Description: Demolition of the existing garage and outbuilding, and erection of a single-storey rear and side extension, with first and second floor rear dormers within the existing roof pitch. Excavation of garden to accommodate the rear extension with remodelling as shown in drawings.

Plans that this decision was based on: M1234

Application submitted by: Manish Sharma

Reasons for refusal

1. The size, position and design of the proposed development would not respect the character and appearance of surrounding buildings, the street scene and the surrounding area.

Relevant policy: Policies DM1 and DM32 of the Maidstone Borough Local Plan 2017

2. The depth of the rearward projection and its proximity to the boundary would be obtrusive and overbearing when viewed from the rear garden area of [Address], resulting in a degree of loss of light.

Relevant policy: Policies DM1 and DM32 of the Maidstone Borough Local Plan 2017

How the planning department makes decisions

Our decisions are guided by the National Policy Planning Framework (NPPF). While proposed developments must satisfy that legislation, we aim to engage with applicants positively for a successful outcome wherever possible. To help with new applications, we offer a pre-application advice service, where we can discuss proposals and any issues that may arise.

What happens next

We've included some information from the Planning Inspectorate on a separate page. Read this carefully as it explains what you need to consider if you decide to submit your application again with changes, or appeal this decision.
